A zine about BPD
and the "favourite
person"

But eden has a dark side...

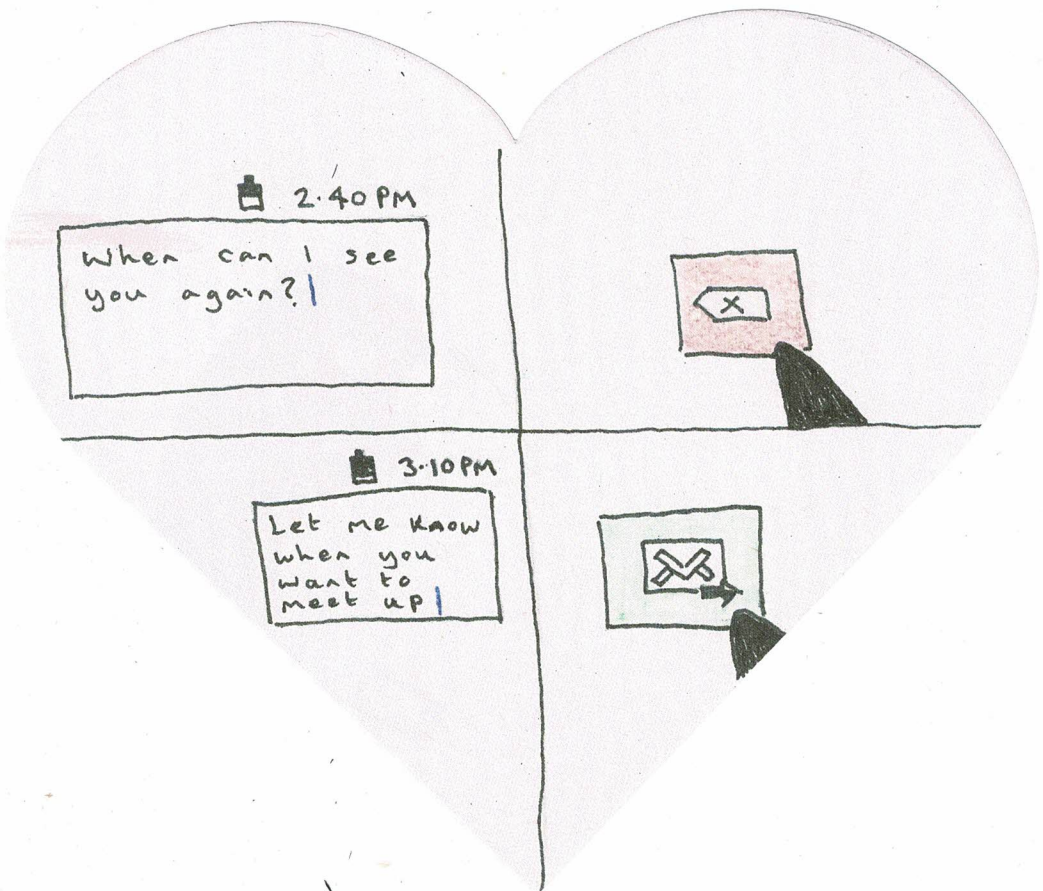

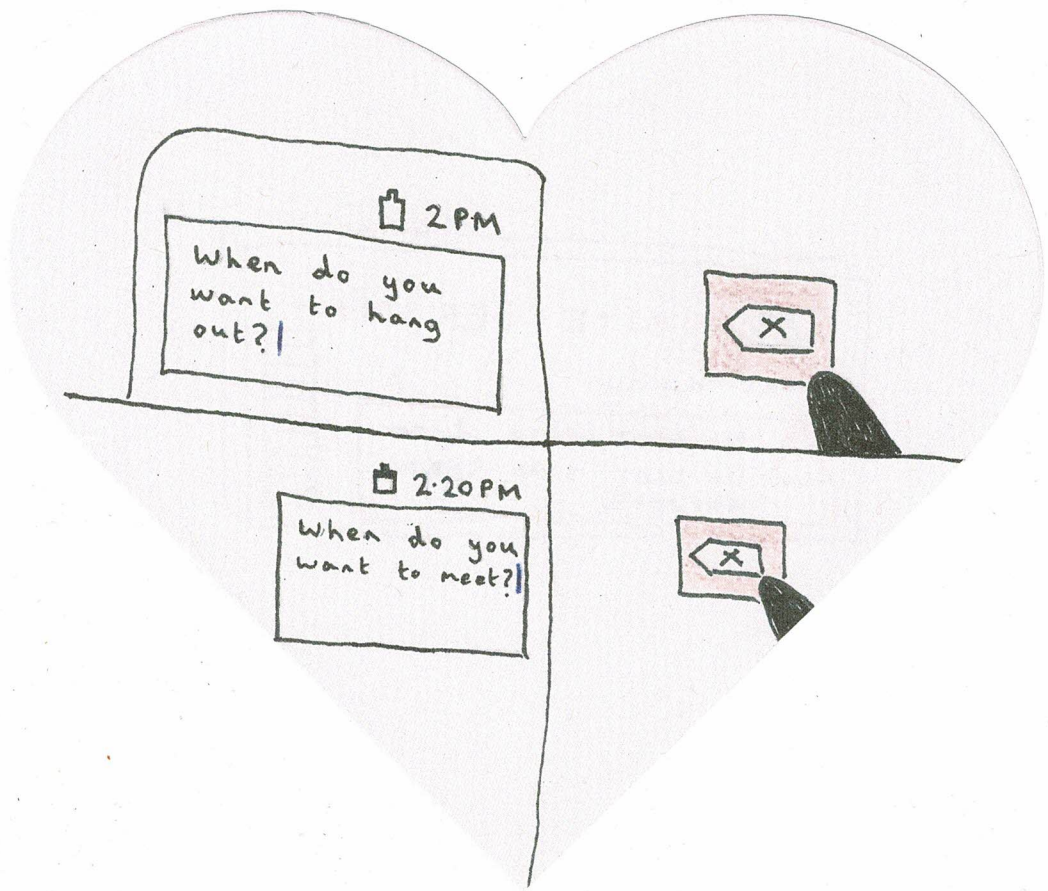

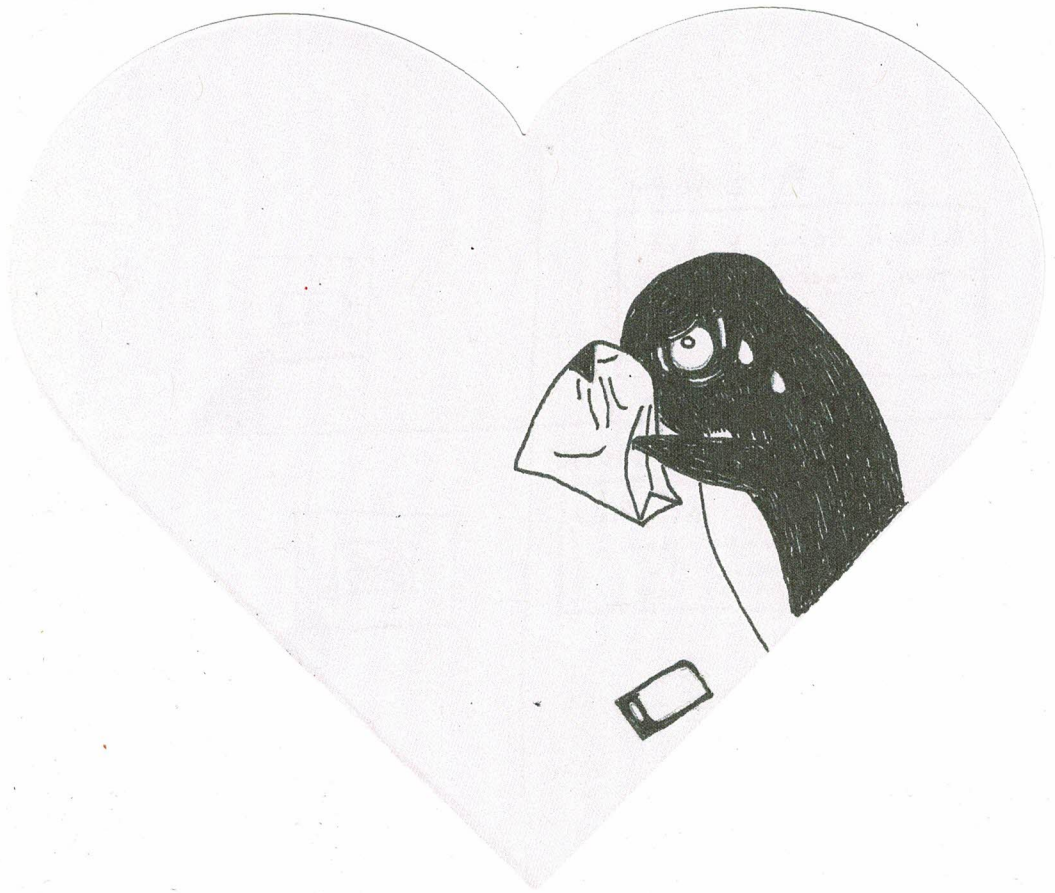

FAVOURITE PERSON

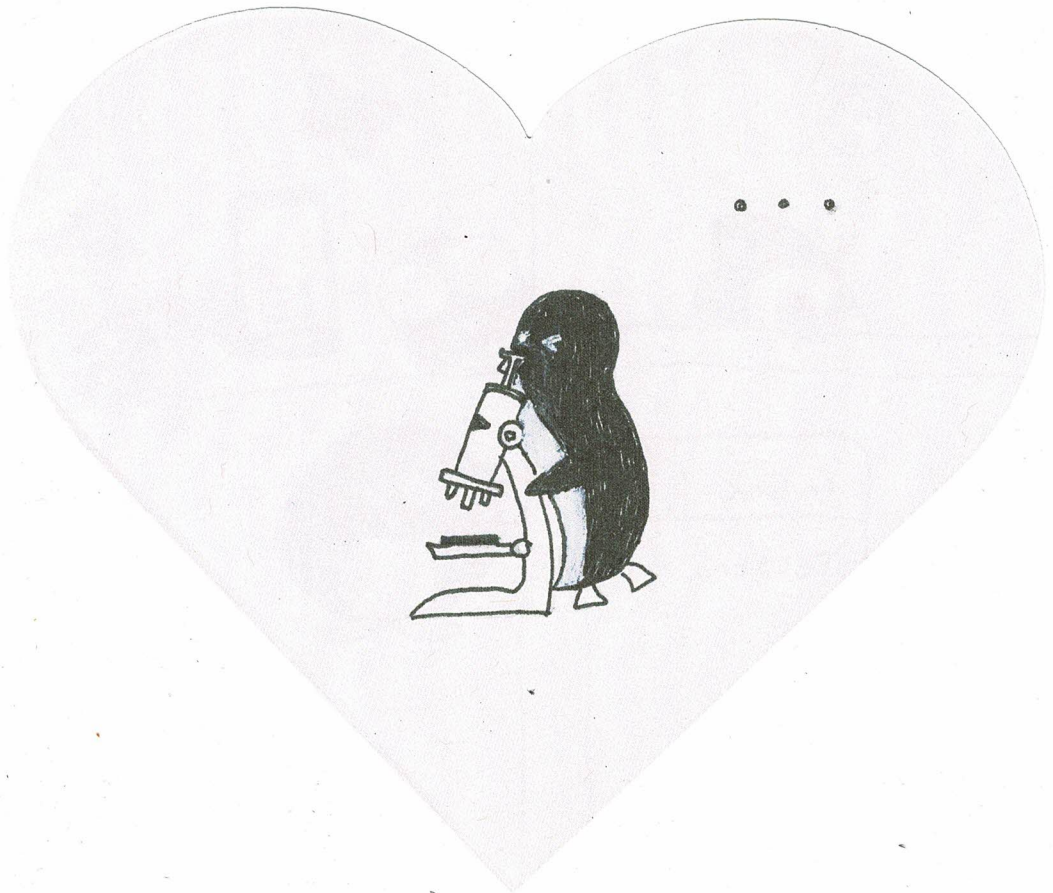

Take daily

 Do NOT skip dose
Do NOT stop taking abruptly

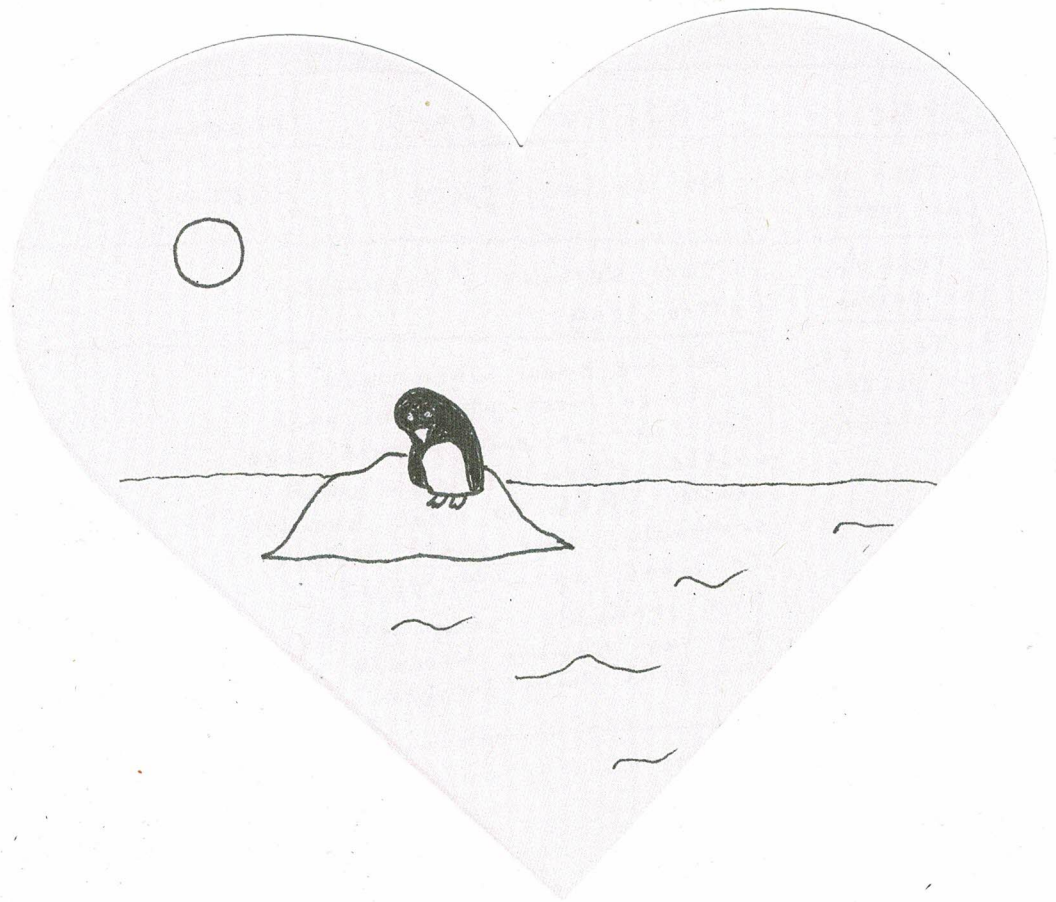

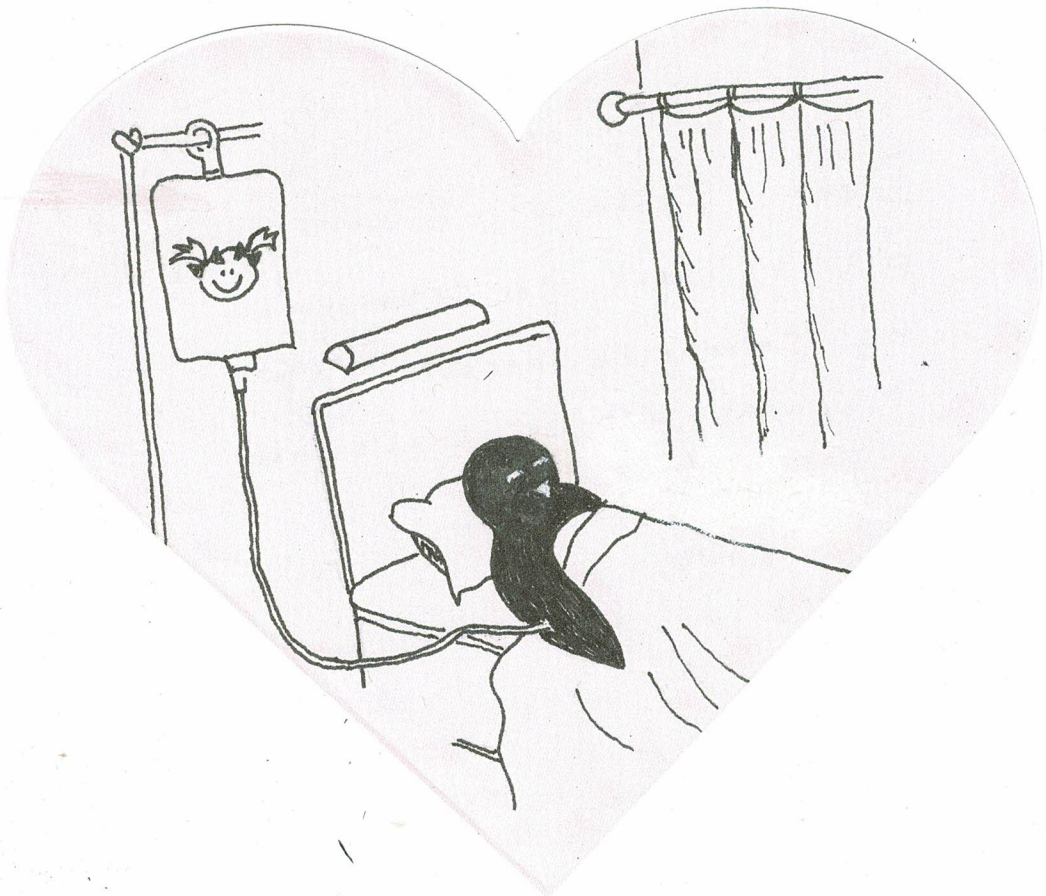

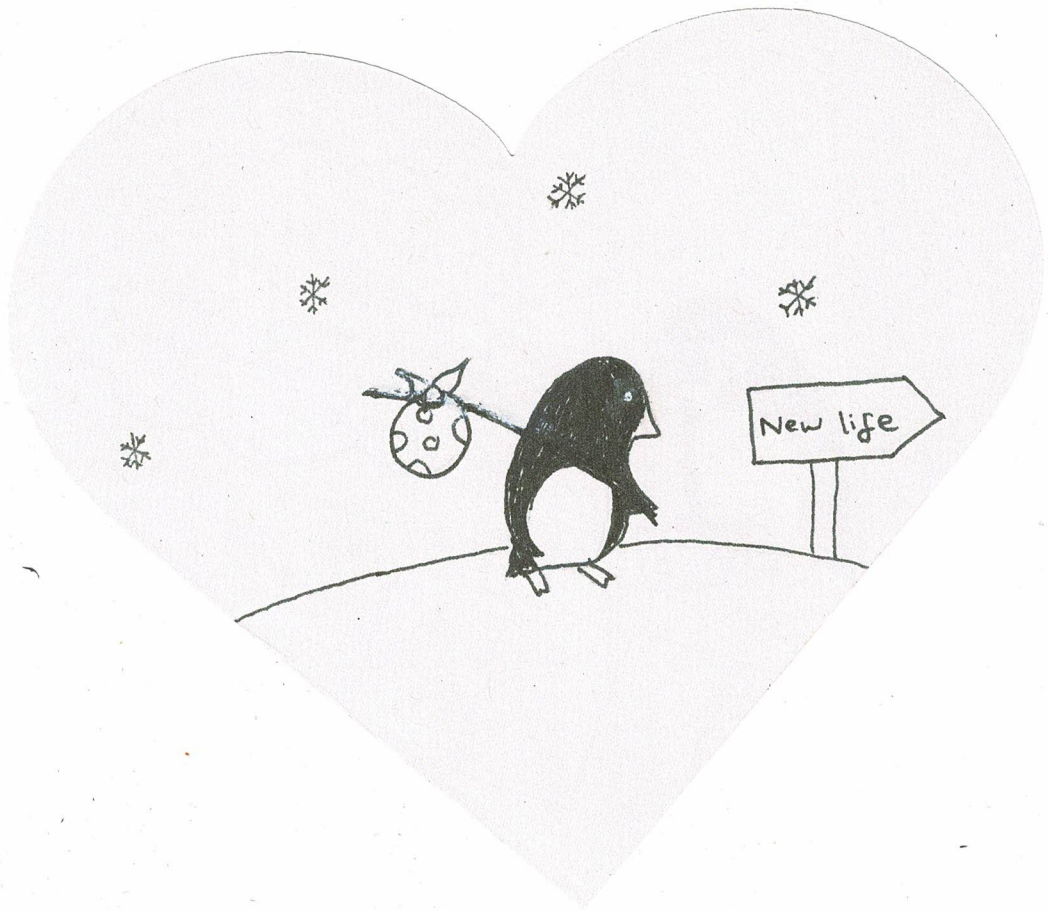

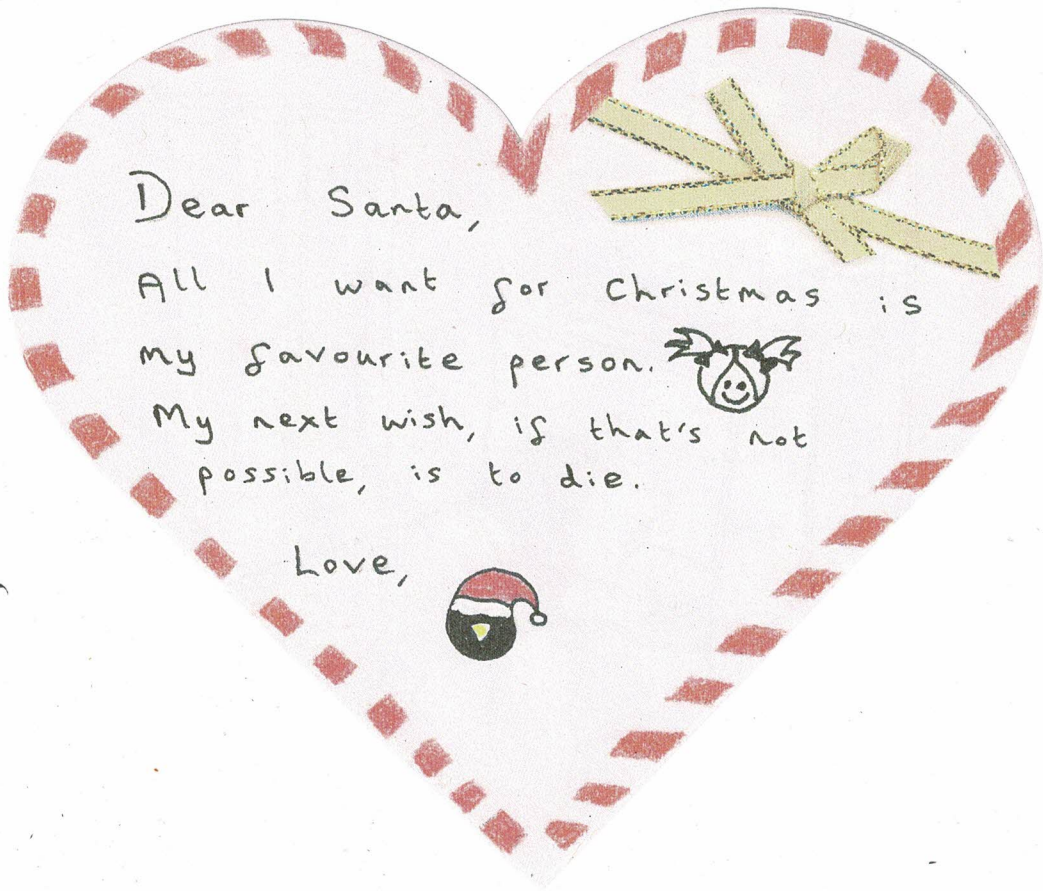

SPECIMEN	OBSERVATIONS	PROGNOSIS
1. Text from fav person	No smiley face	Gf im
2. Text to fav person	<ul style="list-style-type: none"> • Too serious / dramatic • Too long 	" "
3. Text to fav person re. meeting	<p>"Let me know when you want to meet up": no need for "up" on end. Should have written "Let me know when you're FREE to meet because seriously, who would WANT to meet up with YOU? She probably only gave you her number because she felt sorry for you"</p>	" "

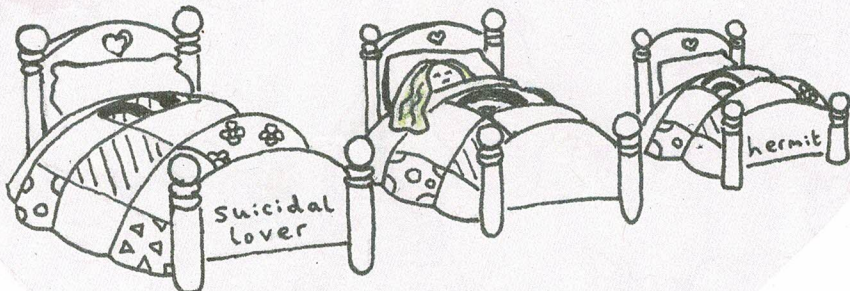

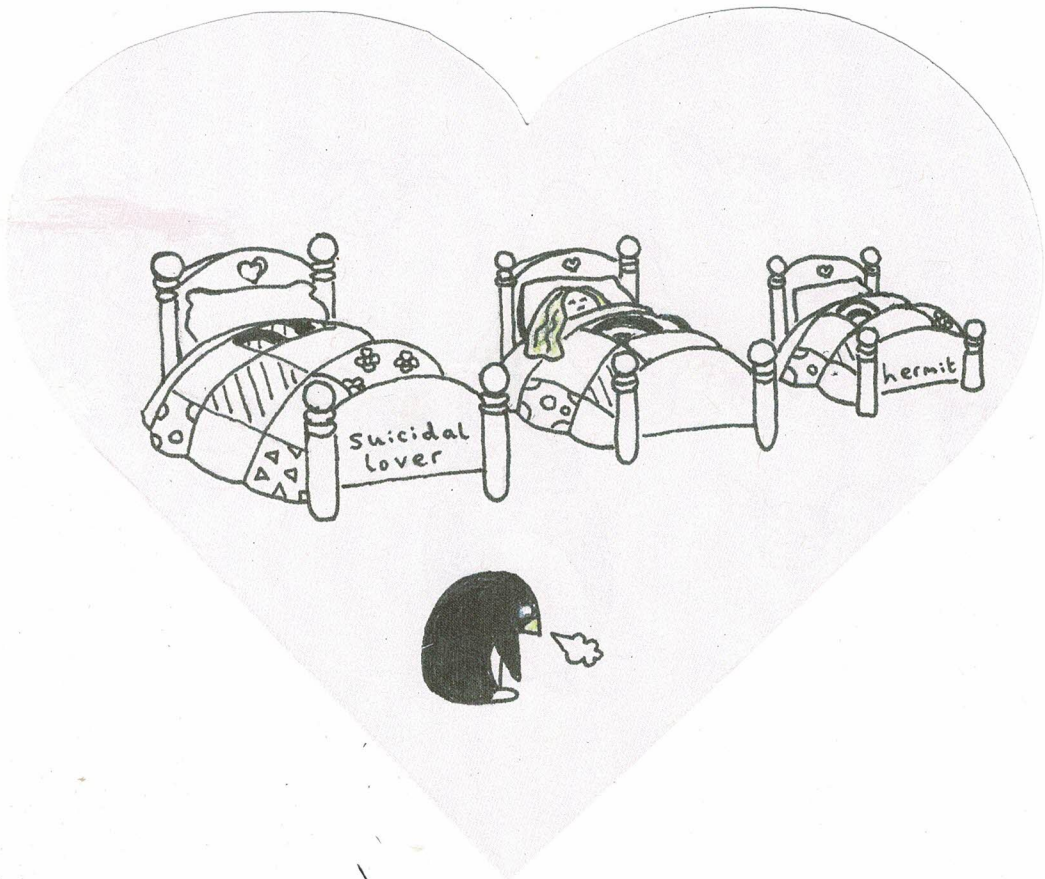

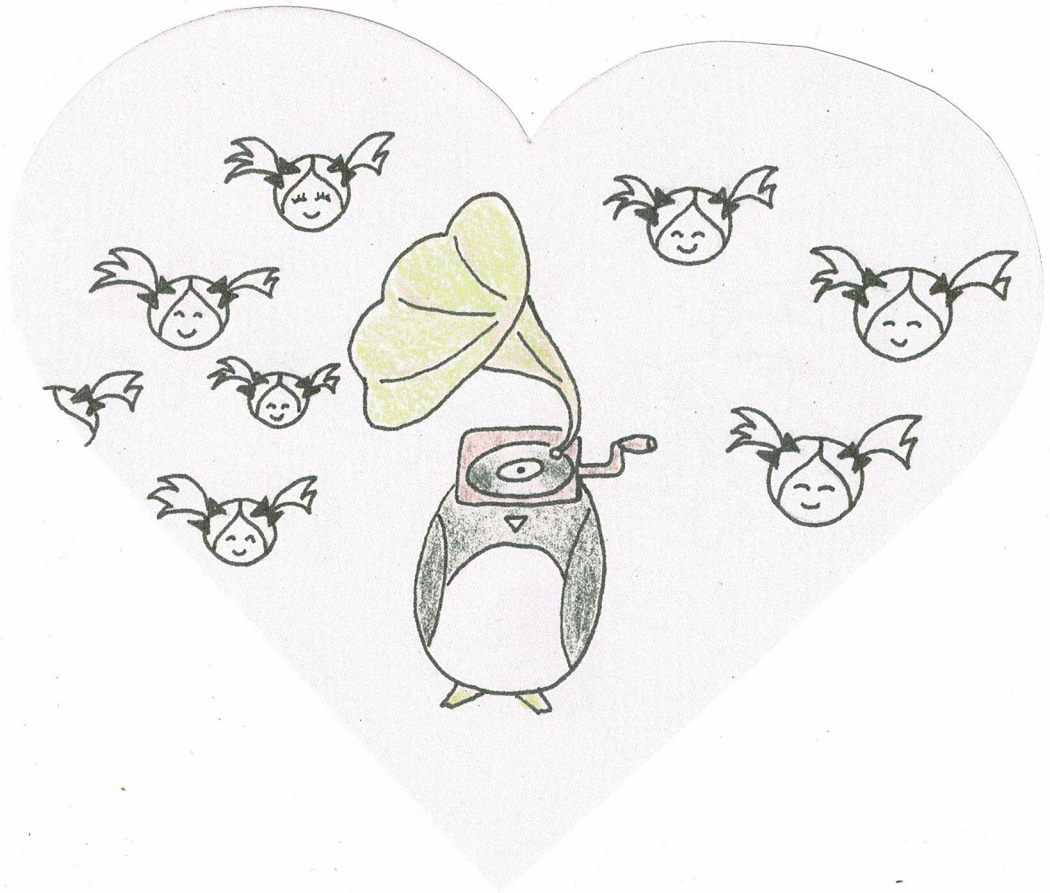

Dear Santa,
All I want for Christmas is
my favourite person.
My next wish, if that's not
possible, is to die.

Love,

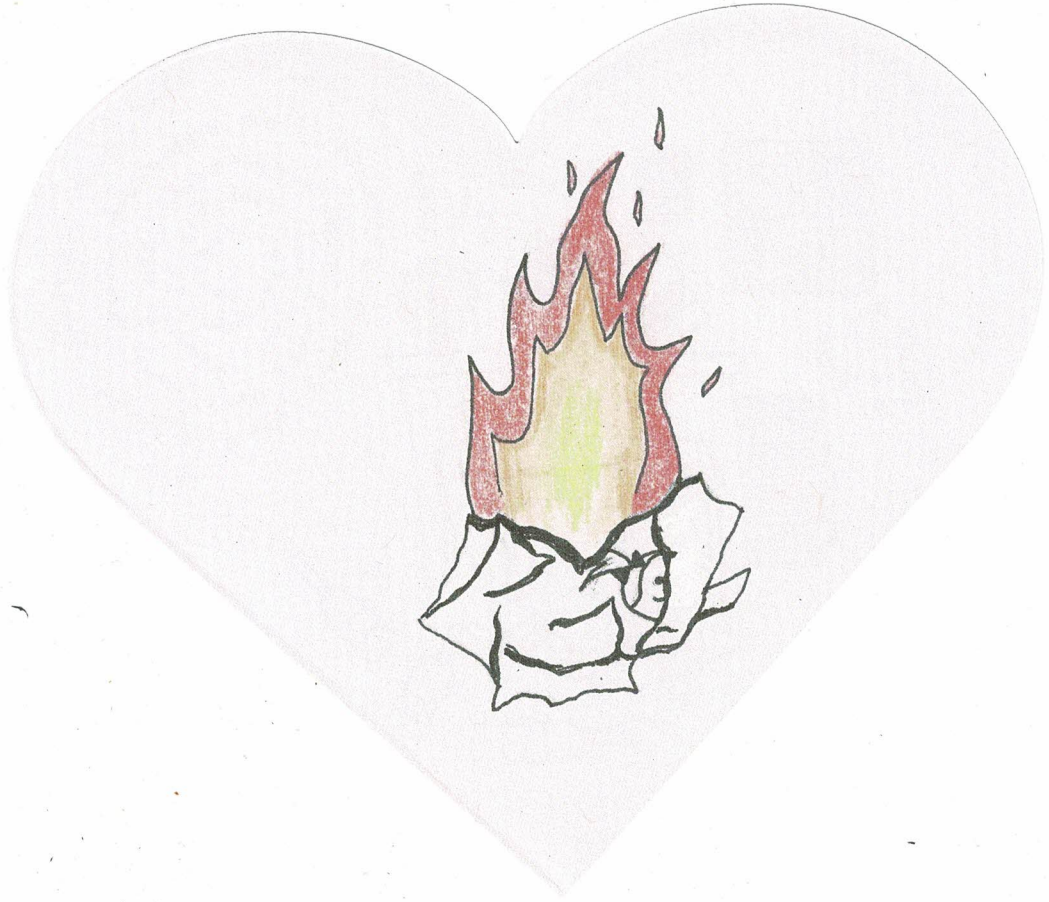

Want to
show art

Don't want to
make uncomfortable
as art is all about
them

Meanwhile...

"I guess I just get hopeful
Thinking that the next person
I meet might be the kind
of friend I've been looking
for."
